

CONSENT FOR TREATMENT OF MINORS

Minnesota Sport & Spine Rehabilitation requires that a parent or legal guardian accompany any minor children (under 18 years of age) to their medical appointments. In the event that a parent or legal guardian is unable to accompany a minor child to a medical appointment, the parent or legal must sign this Consent for Treatment of Minors to be kept on file at MN Sport & Spine Rehabilitation.

Name of child: _____

Name of parent or legal guardian: _____

Relationship to child: _____

I authorize care and treatment for my unaccompanied child.

The following individual may authorize treatment for my child:

I agree to reimburse MSSR for the cost of rendering services to my child in my absence.

Date

Signature of parent or legal guardian
